CAREER OBJECTIVE

Qualified Fitter and Turner with over five years of experience in mechanical maintenance, machining, and fault diagnosis. Skilled in operating lathes, milling machines, surface grinders,

Dear Sir/Madam

I am pleased to submit my curriculum vitae in application for the available position within your organization. I am confident that my skills and experience align with the requirements of the role.

I am eager to enhance my professional growth within your organization and embrace the challenges that comes with the position. My commitment is to execute my responsibilities with dedication, professionalism, and integrity while upholding the standards set by your organization.

Given the opportunity, I will apply my knowledge and expertise to support the organization's success. I am highly motivated to be part of a dynamic team, working collaboratively towards achieving company objectives

I appreciate your time and consideration of my application and look forward to the possibility of contributing to your team.

Compassionately Regards.

ACADEMIC QUALIFICATIONS

SA

Frans Rasimphi Secondary School

2014

National Senior Certificate

South West Gauteng TVET College

2017

National N Diploma in Mechanical Engineering

Modules completed:

- ✓ Fitting and Machining Theory N1 & N2
- ✓ Mechano technology N3
- ✓ Engineering Drawing N3 & Draughting N4
- ✓ Engineering Sciences N4
- ✓ Strength of Materials and Structures N6
- ✓ Mathematics N6
- ✓ Mechano Technics N6
- ✓ Power Machines N6

Training

- ✓ Trade Test Certificate :652302 Fitter and Turner

26-05-2021

WORKING EXPERIENCE

SA

JOHNSON TILES
